O R D E R

The court, on its own motion, orders that these appeals are CONSOLIDATED for purposes of briefing and disposition.

The briefing schedule is as follows:

1. The plaintiffs-appellants shall file a single consolidated brief and required short appendix on or before August 22, 2005.
2. The defendants-appellees shall file a single, consolidated brief on or before September 21, 2005.
3. The plaintiffs-appellants shall file a single consolidated reply brief, if any, on or before October 5, 2005.

NOTE: Counsel should note that the digital copy of the brief required by Circuit Rule 31(e) must contain the entire brief from cover to conclusion. The language in the rule that "[t]he disk contain nothing more than the text of the brief..." means that the disk must not contain other files, not that tabular matter or other sections of the brief not included in the word count should be omitted. The parties are advised that Federal Rule of Appellate Procedure 26(c), which allows for three additional days after service by mail, does not apply when the due dates of briefs are set by order of this court. All briefs are due by the dates ordered.
